NATIONAL SCHOOL WINE COMPETITION

The RA&HS aims to establish this competition to lift the profile of those schools that make or are involved in the production of wine, enable the school's wines to be judged by a professional judging panel, promote the vocations of viticulture and wine making.

The establishment of the National School Wine Competition as a section of the Royal Adelaide Wine Show aims to raise the profile of the wine industry within schools across South Australia and Australia.

The judging of wine and wine labels by a Royal Adelaide Wine Show panel will be an excellent education experience for the schools and enable them to receive feedback on the quality of their wines and how they might be evolved.

Royal Adelaide Wine Show Bursery

About the Bursary The Royal Adelaide Wine Show, established in 1871, is the most prestigious wine show in Australia, featuring over 2,500 wines from over 300 wineries across the country. Wines are judged by a panel of esteemed judges from across Australia over four days, to determine medal and trophy winners. The Royal Adelaide Wine Show Committee through the Royal Adelaide Show Society Foundation offers a Bursary program to support the South Australian Wine industry to continue to grow and prosper. The purpose of the funding is to support study pathways by providing a one-year \$5,000 Bursary to a student undertaking either undergraduate or post graduate studies in the field of viticulture or oenology at an Australian university. The Royal Adelaide Wine Show Bursary honours the contributions to the Society of Philip Laffer (AM). Philip maintained a passionate interest in education and research within the grape and wine sector throughout his career and continues his active involvement with the Society as an Honorary Councillor. This bursary reflects the importance that Philip and the Society places on creating pathways for further study and professional advancement.
